An Exclusive Hideaway

Soneva in Aqua is a luxurious floating villa that sets sail from Soneva Fushi, located on Kunfunadhoo Island in the Maldives. It combines imaginative luxury with the freedom to explore the oceans unfettered by the limitations of time.

An ultra-luxury and highly refined yacht, Soneva in Aqua measures 23 metres in length and 6.40 metres in width, with exceptionally spacious interiors.

A personalised itinerary designed by our Captain offers guests the chance to explore reefs beneath the calm waters, uninhabited islands and fascinating marine life at leisure.

Stay

The ultra-indulgent yacht has a maximum occupancy of four adults and two children to provide the ultimate sense of exclusivity and privacy, whilst offering intelligent luxury of the highest international standard. The yacht features one master cabin, that comes with a glass-bottomed spa tub and an en-suite shower. The VIP cabin also comes with its own en-suite shower.

Amenities on board include:

- External raised sun deck, dining area and a bar on the main deck
- Daybeds, lounge seating and an outdoor Jacuzzi
- Additional sun deck for spa treatments
- An internal library and lounge
- WiFi connectivity

Our highly skilled crew on-board includes a Captain, a Head Chef, Mechanic, Barefoot Butler, and a Massage Therapist. A Dive Master can be arranged with the Soleni Dive Centre, and an Astronomer, Surf Instructor, and Photographer can be added on request.

The two-cabin yacht combines Soneva's iconic barefoot luxury with a sense of freedom and exclusivity of a private boat charter, while being at the price-point of a two-bedroom villa at Soneva Fushi.

While Soneva in Aqua mostly relies on its engine for power, we are more than happy to roll out the sails when conditions allow.

Dine

Indoor and outdoor dining experiences that are both memorable and distinctive await guests. The on-board Head Chef will design bespoke menus as per guests' preferences to create their favourite dishes as well as some Maldivian specialties, using fish caught fresh from the ocean.

The crew will be delighted to offer guests unique dining experiences such as castaway picnics on uninhabited islands or dining under the starlit sky with sand beneath their toes.

Relax

The onboard therapist offers a wide range of treatments and personalised wellness activities. Each holistic therapy presents an exhilarating sensory journey whilst at sea, a private sunset massage under sail to your next destination, invigorating early morning Tai Chi or yoga on the deck; the possibilities are endless.

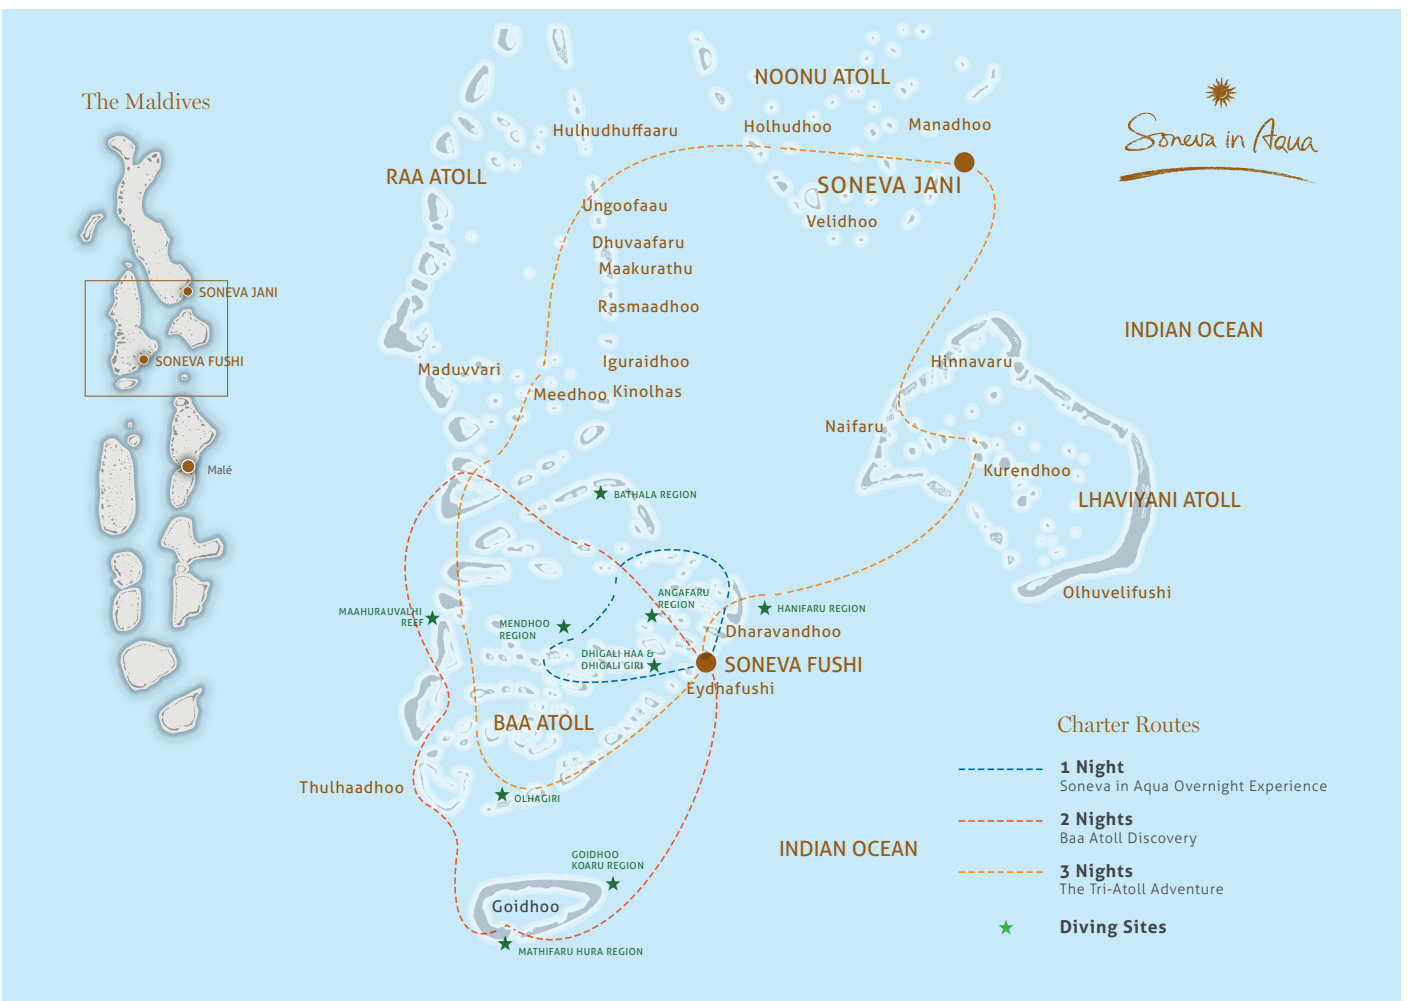

Discover

Guests who wish to explore the treasures of the Baa Atoll and beyond can indulge in day, night and sunrise dives. Snorkelling is also available, along with presentations on the underwater ecology and environmental awareness if a Dive Master is on-board. Guests who are interested can try their hand at driving the yacht, learn charter work, how to navigate the atolls and about the unique geography of the Maldives. Guests can also surf uncrowded waves with Soneva's Eco-Friendly Surfing Programme.

Routes for Exploration

Soneva in Aqua allows guests to choose from various charter routes that sail around and beyond the Baa Atoll.

A choice of one, two and three-night excursions are available depending on how much of the Maldivian sights and islands they wish to explore. Longer itineraries are also available on request.
