

ÀNI

ANGUILLA

FACTSHEET

A clifftop eyrie perched above Little Bay on Anguilla's northern shoreline, ÀNI offers an entire, private resort on this jewel of a Caribbean Island, designed exclusively for a single group of guests with half-board dining and a host of activities included. Surrounded by indigenous flora on three sides, the two-acre (half a hectare) property embraces awe-inspiring, azure views of the Atlantic Ocean just a four-minute stroll from secluded Little Bay Beach.

Consummately private yet easily accessible, ÀNI can accommodate from 6 to 20 guests across four Ocean View Suites, two Ocean View Guestrooms, and four Guestrooms. These are housed in two elegant villas – North and South – both fronted by private swimming pools and a host of atmospheric, view-drenched areas including alfresco hot tubs, viewing platforms, and cliffside pavilions.

With a discreet and dedicated team of up to 20 staff members to fulfill every wish, ÀNI tailors every detail – from special dining, cultural, and wellness moments, to kids' activities and exploration of the region – to ensure a bespoke experience that defies expectations.
