

ÀNI

DOMINICAN REPUBLIC

FACTSHEET

Claiming its own private peninsula on the Dominican Republic's north coast, ÀNI offers an all-inclusive, 4.2-acre (1.70-hectare) private resort, designed exclusively for a single group of guests.

Set in manicured gardens with breathtaking, 270-degree views of the Atlantic Ocean and direct access to the sand-fringed bay known as La Piscina Natural, the resort can accommodate from 6 to 28 guests across eight Ocean View Suites, two Bay View Suites, two Ocean View Junior Suites, and two Garden View Junior Suites. These are positioned on either side of the property's palm-lined, central avenue as part of Villa Larimar with its sunrise vistas, and west-facing Villa Amber with its additional manmade beach and cobbled path to the sea. Named for the region's precious gemstones, both villas overlook expansive infinity pools and offer an abundance of living, dining, and entertainment areas.

ÀNI's discreet and dedicated team of over 30 staff members is available around the clock to tailor every detail – from special dining, cultural, and wellness moments, to kids' activities and exploration of the region – to ensure a bespoke experience that defies expectations.
